

Kenya Missions Trip From August 7-20, 2025

Short-term missionary teams play a vital role in fulfilling Christ's Great Commission. As people in all countries seek solutions to complex problems and challenges, answering the call to 'GO' to the nations becomes more urgent than ever before. Matthew 24:14 says,

"And the Good News about the Kingdom will be preached throughout the whole world, so that all nations will hear it; and then the end will come."

The trip to Kenya is an important step in fulfilling this calling! You will experience God's global Church as believers from Kenya and the U.S. work in harmony doing evangelistic and social outreach to children in local churches and orphanages, and in centers for the elderly. This team will be spreading messages of hope and love, and helping to build bridges of compassion and respect between diverse communities.
